You may contribute in honor or memory of a loved one. Please enclose their addresses along with your own as the form indicates. Send contributions directly to the Moravian Archives. Yearly updates of contributors will be recognized in the Newsletter. Please send the filled in form along with your tax deductible contribution.

### *Words of Thanks & Appreciation*

Your response to establishing the Archival Fund in Charlie's memory is most gratifying! I am eager to sincerely thank each of you who has contributed to the success of our endeavor. Certainly without the dedication and investigation into our avenues of possibility by Frances Vogler, this profound undertaking could not have been realized. She spent untold hours in pursuit of our successful goal; to her I'll be forever grateful.

Without a doubt, there is definitely no greater honor which we could have bestowed upon Charlie and would fill him with overwhelming pride.

Again, many, many thanks to each contributor. And we hope others may be participants at any time they wish. Also, when you're planning your tax-deductible gifts each year, put the Archival Fund at the top of your list so that we may keep increasing the benefits of the memorial.

I look forward to the opportunity of "visiting" with you at our upcoming exciting reunion on July 25 in Old Salem!

Rachel A. Vogler

We would like to extend our many thanks to Frances Vogler, coordinator, for all of her hard work and determination in finding such a wonderful way to remember and honor our father, the late Charles McKinney Vogler, founder of the PCVF.

Dad began his work tracing the Vogler family history many, many years ago when we were young. He would work on it around the busy schedule of raising a family and going to work. When he retired from AT&T, he was able to put forth all his efforts into his genealogy research, which he enjoyed tremendously. He spent years traveling to historic sites, spending countless hours in archival rooms gathering bits and pieces of information. Fond memories are recalled of traveling to many cemeteries, taking pictures and doing rubbings of gravestones. Dad put all the pieces of the puzzle together with great care, knowing one day that his dream of recording the history of the Vogler family in book form would come true, with the help of many family members, friends, and acquaintances. That dream did come true in addition to forming the PCVF, both of which were based on his strong feelings of family unity.

This fund is such a tribute to him and he would be so honored. Thanks to all of you who contributed for helping this fund become established and providing a means in which contributions can continue to be made in a fund that would mean so much to him!

Debbie, Cindy, & Susanne  
(Daughters of Charles & Rachel)

Members of the board, PCVF, Inc. express their appreciation and recognize Dr. Daniel Crews, Archivist Moravian Church, Southern Province for being our consultant with the Charles McKinney Vogler Archival Fund and our special 1998 reunion speaker.
