### Dues Notice

With the rising costs of producing and the distribution of the newsletter, the Board of Directors has determined that an increase in dues is needed to offset these costs. New dues figures are \$10.00 for one year and will begin with new dues paid for 2001 and beyond. The Board is again offering Lifetime memberships for a one time donation of \$100.00. You will have paid for your membership after just ten years, **please consider a lifetime membership donation.**

### A Note From Our New President

It's truly a pleasure to serve as President of the Philip Christoph Vogler Foundation for the current term which began in April. Betty V. Houston, who was our President for the past two consecutive terms, has been a genuine blessing to all of us with her excellent and knowledgeable leadership and guidance. With her continued help and the pledged full support of the Board Of Directors, I enlist the assistance and input of each of you to make our organization moves forward in our activities and growth.

We have a very active and enthusiastic Board who are committed to pursuing new ideas, programs, and activities to appeal to varied interests. Currently, we have been able, through connections secured by Board Member Pat Jones, to have produced a beautiful coffee mug bearing our Coat-Of-Arms. Because of Pat's help, these are being made available to the membership at a very nominal cost. Be sure to check page 3 for complete information because I'm sure you'll be anxious to order several for yourself and as gifts for other extended family members.

And DON'T MISS the information concerning the scheduled Swiss Trip III set for August of 2001. This is definitely shaping up to be the BEST trip yet! What a tremendous opportunity for a fabulous trip at the most conservative fee you'll find anywhere!! Dr. Fred Vogler, our UNC Professor and Tour Guide, is designing a tour second to none with visits to a superb menu of areas boasting historic significance and beauty.

Please feel free to contact me with your questions, concerns, ideas, etc. I'll be pleased to receive your mail or phone call. You may reach me during the day at 336-584-2991 or in the evening at 336-584-8068. My mailing address is 3011 Truitt Drive, Burlington, NC 27215.

I'm counting on all of you to help me make this a "for our banner term" PCVF!!

Rachel Vogler, President PCVF

### Tour Preview cont.

The tour will then enter Italy, a side excursion taken on the last Swiss outing which was a big hit with the travelers. The group will travel through the Italian Alps re-entering Switzerland to the resort town of St. Moritz and continuing on to Austria and the town of Innsbruck. "The Sound of Music" scenes of the Alpine villages will fill these days of travel through parts of Austria and into Germany and the famous Neuschwanstein Castle (best known of the Alpine castles thanks to the Disneyland replica which graces the theme park). From Austria, the tour will enter the Principality of Liechtenstein for a sightseeing jaunt on it's way back to Switzerland and the departure from Zurich. A more detailed itinerary will be published in the next newsletter.

**This promises to be the best Swiss Trip yet and all we need is you to join us.**

We do need to hear from you if you are interested in going. This trip is not only for family members, we welcome any friends of yours that would like to join your cousins on a visit back to our ancestral homeland. The veterans of past trips have stated that the church service and lunch in Niederhasli/Oberhasli is very special; this is a site on which our ancestors lived, worked, and worshipped.

Please take the time to fill out the form on page 7 and mail or email Fred Vogler a message asking him to "save you a seat on the bus". We need to know as soon as possible as arrangements need to be fine tuned and costs need to be determined. Our last trip cost was approximately \$2500.00 which included airfare from Atlanta, ground transport, scheduled group sightseeing activities, and two meals a day. This cost is simply for comparison as we will not have a firm quote figure for this trip until a final number of travelers is determined. We do know that the more travelers we have the lower the cost for everyone.

**Please let us hear from you today. Don't miss this opportunity to see Central Europe with family.**

### John Vogler Continues Working To Educate PCVF Members

John Vogler has worked quite hard to make the PCVF, Inc. the educational tool that our founders envisioned years ago when the foundation was established. John developed our web site, is hosting activity to the site, and is maintaining our home on the world wide web. John approached the board at a meeting last year with the idea of publishing a brochure that states the purpose of the foundation with some of the key information concerning the operation of the present organization; a mission statement. You will find John's latest work as part of this newsletter. This publication is simply to answer some of the questions that many of the board members have heard over the years and may answer a question that you may have had. Please share this publication with your children and grandchildren or anyone with ties to this family. It is so important to let younger generations of Voglers know that there is an organization working to preserve their history, and hoping to make new history through family trips, reunions, and basic communications.

The work was begun years ago to research a family story; to find out who we are, where we came from, and how this history shapes who we are today. This past year, John's development of the web page and this brochure show how important he feels the work of our founders is. **For this we say thank you!!**

## Group on Their Way Back to Switzerland For Third Time in August of 2001: Trip Titled "A Vogler 2001 Swiss Odyssey"

In August of the year 2001, the Vogler travelers will once again embark on a pilgrimage back to our Swiss homeland. Plans are already underway to organize this trip in the hopes that we have the largest group ever to fly the Atlantic. We would like to have 20 to 25 travelers for our third trip. If you know and have spoken to anyone that has made the trip in the past, you owe it to yourself to take this journey with us. If you have any interest we would love to hear from you.
