THE PHILIP CHRISTOPH VOGLER MEMORIAL, INC. WAS FOUNDED BY CHARLES M. VOGLER, WITH THE FIRST STEERING COMMITTEE MEETING (SCM) BEING HELD ON JULY 27, 1986 AT WINSTON-SALEM, NC. IT WAS INCORPORATED ON AUGUST 1986, BY E. EDWARD VOGLER, JR. THE SECOND SCM WAS HELD ON OCTOBER 5, 1986. THE FIRST VOGLER REUNION WAS HELD ON APRIL 10-12, 1987 IN WINSTON-SALEM. THE NAME WAS CHANGED TO PHILIP CHRISTOPH VOGLER FOUNDATION, INC. IN JUNE 1994.

Yet another year of Vogler/Fogler news begins; most notable is the rescheduled date for the Nova Scotia tour. Due to conflicting events of many willing participants, and inadequate time for the Trip Committee to finalize plans, the tour will now be offered in the summer of 2006. The Trip Committee has also decided to offer a choice of preferred travel times; one week in June or one in July, see the trip form on page 6 for more information. The itinerary for the proposed trip, arranged by Dr. Frederick W. Vogler, is listed on page 4, and offers a great overview of Nova Scotia. We have had Canadian travel agents say that this is a great itinerary and professionally thought out, all thanks to our resident "Pro," Dr. Fred. We need to hear from all of those that are interested so plans can move forward. This tour will be a great summer excursion for anyone, and we encourage everyone to come along.

Dr. Frederick W. Vogler brings us all up to date on one of our cousin's overseas trips at the end of last year. On a trip to Prague, Robert A. and Mary Alice Vogler found themselves tracing the roots of the early Moravian Church (page2).

Our annual Easter gathering will begin with lunch Saturday March 26th at 12:30pm at the 4th Street Filling Station in Winston-Salem. People from all over the country come to take part in the Sunrise Service at Old Salem on Easter Sunday; this is truly an event to witness, and part of our family history. The tentative schedule is listed on page 2.

The offer of Lifetime Memberships to the Philip Christoph Vogler Foundation will expire at the end of April 2005. Lifetime Memberships are \$100.00, which is quite a bargain, considering that equals ten years of \$10.00 dues. For those of you that have considered the Lifetime Membership, now is the time to act. Simply use the attached form on the last page and add your name to the list of "Lifers" on page 5. This offer was extended several years ago and many took advantage of the savings.

President Jerry Vogler Jr. highlights some of the activities of the Board in his note on page 3. We send out the call again for all young cousins to step forward and offer an article submission to the next newsletter. We have offered a Kid's page in the last two publications, however space did not permit in this newsletter.

As we all roll from one holiday season to the next, family is always a centerpiece of thought and action. We (Voglers/Foglers) have a special bond that few other families have; a sense of history; knowing our history. The work of the PCVF offers insights to that history.

Pilgrimage to Prague

Members Explore Moravian Roots

Submitted by Dr. Frederick Vogler

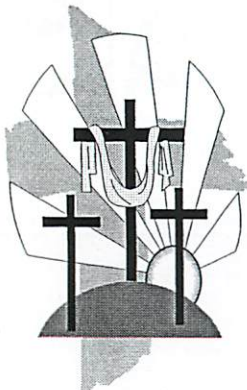

Early this past December (2004), our cousin Robert A. Vogler and his wife Mary Alice – both Lifetime Members of our PCV Foundation – took a 10-day trip to the Czech Republic, spending most of their time there in its capital city of Prague. However, this was no ordinary recreational sightseeing excursion but instead a carefully planned pilgrimage on their part to the earliest roots of the Moravian Church, concentrating on places historically associated with the early Reformer Jan Hus (1369-1415). Over a century before the Lutheran Reformation, Hus as Rector of the University of Prague had used his prominent social position to advocate major changes in the medieval church, for which he was excommunicated and finally burned at the stake for his beliefs in 1415 by order of the Council of Constance at the urging of the Holy Roman Emperor, sixteen years before Joan of Arc was to meet the same fate in 1431 far away in Normandy. But, as in the song “John Brown’s Body,” his truth did indeed go marching on, resulting in the formation and expansion of the Moravian Church in Europe and America in the 16th, 17th, and 18th Centuries.

As active members of Winston-Salem’s Friedland Moravian Church (as was our common ancestor Philipp Christoph Vogler himself after his arrival in North Carolina’s Wachovia in 1770), Bob and Mary Alice were able to carry out their special pilgrimage trip as planned, surprising and pleasing several of Jan Hus’s modern Czech followers with whom they came in contact during their time there. Congratulations to them both on that fulfilling and successful mission!

Easter Tradition Continues at Old Salem

March 26 & 27th, 2005

The family will meet again at Old Salem, as we have done for many years. Consider being part of this special tradition and participate in a ceremony that has taken place for over 200 years. The Vogler family will meet again for lunch on Saturday and spend time reliving history at Old Salem and sharing family time. This is an event that has world wide recognition and should be experienced at least once in your life.

Saturday, March 26, 2005 12:30 PM: Fourth Street Filling Station. 4th Street Winston-Salem, NC. Will meet for informal lunch. Anyone interested in eating with the family please show up. Balance of day will be spent in Old Salem; touring buildings, eating goodies from Winkler Bakery, taking carriage rides, or attending the music program at Home Church at 7:00 PM. There is no Love Feast on Saturday. Dinner will be decided by those attending. For those wanting to join the group for dinner please contact Betty & John Houston; cell phone number 704-534-9807.

Note From Our President

Jerry Vogler, Jr.

Dear Family and Friends,

With the New Year underway now, the Philip Christoph Vogler Foundation has before it many challenges. I hope that this can be a year that we can energize our membership with the prospect of exciting events and projects on the horizon.

One challenge that we have this year is to increase our membership. Most of you have faithfully supported this Foundation over the years by providing regular member dues and several of you have made a further commitment by joining us as Lifetime Members. Both are in every sense very active and rewarding ways to support the Foundation. If you have not supported the Foundation regularly we hope that you will consider doing so. If you are a regular supporter or a Lifetime Member please consider asking other members of your immediate family to join us too.

In my last correspondence I mentioned that we were planning a new trip to Maine and Nova Scotia to rediscover our New World roots. This exciting new trip is now being planned for 2006 to allow our Trip Committee more time for planning and to allow us to recruit more attendees. I would like to encourage you to look over the itinerary in this newsletter and challenge you to reconsider joining us on this trip. A trip form is included in this mailing and should be sent to Betty V. Houston in Charlotte, NC if you are interested. We have now had three trips organized by the Foundation and as an attendee of all three I can almost promise you that you will have a great time and that you will enjoy a rewarding experience where you will make many new friends while learning about your family heritage.

Other challenges that we have before us are developing but include projects designed to build a community relationship for the Foundation. One of the immediate projects is a modest grant to appropriate organization to assist with educational tours of Old Salem for school children in Winston-Salem and Forsyth County. We also continue our support of the Charles M. Vogler Archival Fund at the Moravian Archives. Let me encourage you to consider a gift to the Charles M. Vogler Archival Fund if you are able to do so. Lastly, but not least, our website (www.voglerfoundation.org) continues to be developed as a resource and informational outlet for the Foundation. Here we offer attractive and useful family oriented items available for donations. I encourage you to use it and to spread the word about this valuable resource too.

Sincerely,
Jerry Vogler, Jr.
President, PCVF, Inc.

God Bless our Family and God Bless America!

Calling all Would-Be Writers, Kid's Corner is looking For Your Stories

With each edition of the newsletter that has space available, we would like to see a story from one of our younger members. Stories can be about someone special in your family, school, church, or a special look at the Vogler history. E-mail submissions to Steve Smith, ssmith901@triad.rr.com We thank those who have contacted us and kept their cousins informed.
